A THOUSAND DAYS

Love doesn't always begin with grand gestures or perfect timing. Sometimes, it starts with a dare on a random social media platform—unexpected, unplanned, and utterly unforgettable.

This is the story of how I fell in love with **Devansh Jaiswal**—a journey that began behind screens and slowly unfolded into something real, raw, and beautiful. What started as a playful challenge turned into two years of digital connection, shared dreams, late-night talks, laughter, and longing. And finally, on ***April 1st, 2025***, we met in person for the first time.

A Thousand Days captures every moment that made our story ours. The doubts, the distances, the tiny joys, and the big milestones. This book is my way of honoring the love we built—one message, one call, one heartbeat at a time.

I hope as you read this, you feel what I felt: the magic of falling in love when you least expect
